# We Need Your Support!

The Winnie Berry Humane Society of Angelina County is a 501C(3) non-profit organization that relies on your donations to support our mission of sheltering, caring, and finding suitable homes for abandoned animals. Additionally, our organization provides income-based, low-cost spay and neuter procedures for dogs and cats through our no-kill shelter, the Winnie Berry Pet Adoption Center.

We invite you to join our efforts of saving homeless animals by becoming a member of the Winnie Berry Humane Society of Angelina County. Your tax deductible donation will provide shelter, health care, vaccinations, and ultimately good homes to hundreds of dogs and cats each year. Please join our team and help make a difference in an animal's life.

**Choose your level of support. Each level comes with perks!**

## Guardian \$500 or more

Become a Guardian of the shelter. Your contribution helps to care for and house up to 4 animals. Guardians receive all the perks as a thank you – license plate frame, plush stuffed cat or dog toy, and t-shirt.

## Protector \$100 or more

Protector, your contribution helps one animal to be spayed or neutered, vaccinated, microchipped (dogs), and cared for in preparation for a home. Protectors are given one of our t-shirts to wear proudly.

## Champion \$40 or more

Champion our cause with a contribution that helps to vaccinate as many as 5 dogs or cats. Champions receive one of our plush stuffed cat or dog toys to share with a furry friend.

## Hero \$25 or more

Heroes are among us! An Heroic contribution funds 3 microchips, which means lost dogs have higher chances of returning home. Heroes get a license plate frame to show your support as the lead dog.

## Corporate Sponsor \$250 or more

Your contribution helps to care for and house up to 2 animals until they find new homes. Corporate sponsors receive all the perks – license plate frame, plush stuffed cat or dog toy, and t-shirt – and have their logo displayed in a special section of our newsletter.

## Lifelong Friend \$2000 or more (one-time contribution)

Your contribution significantly helps the shelter fulfill its mission to rescue and house animals in Angelina County. Lifelong Friends receive a kennel plaque named in their honor plus all the perks – license plate frame, plush stuffed cat or dog toy, and t-shirt!
